### N.A.B.S.' Special Needs: Mobile Crate Set-up and Break Down

**N.A.B.S. needs your assistance in our mobile adoption set-up and break down. It is very important that we have our crates prepared for the Fur Children prior to the Saturday mornings, and put up on Sunday evenings.**

We are asking that those available for preparing the crates are prepared on Friday nights—please assist Debra Wyatt. Break down of crates are after the Sunday adoptions at 5:30 p.m. THANK YOU!

### Jack's Update

Hi Pam,

I just wanted to update you on Jack.

He's just adorable.

He follows my every move (a very good protector) - he jumps and plays with toys, he smiles a lot, and wags his knobby tail, and interacts much better with my small dog, than he used to.

He's a very happy camper, and I just love him. He still sleeps on my bed at night, and thinks he found paradise, and only shakes and looks serious, when it thunderstorms and rains.

### Collette's News

Hi Pam,

Hope all's well with you and your charges. Just wanted to stay in touch and tell you that Collette has turned out to be the sweetest dog imaginable! She's finally gotten over all her fears and is firmly a part of the family. We recently took her on a month-long RV trip and she did great (except for one day when she shredded 2 boxes of Kleenex! Too funny!). She's no problem at all and fiercely protects our house from squirrels, and racoons. Please don't stop doing what you're doing. I can't imagine a sweetie like Collette being mistreated and dumped on the street. I'm so glad we came by Petco last November and got to meet you and Collette. We'll stop by soon.

Dorothy Cooney

## Obi and Koda's News

Koda is a good sport to put up w/ that crazy puppy. Koda just does his own thing and the puppy does also. Koda really didn't care much about play but he really took the bed time snack w/ pleasure.

Obi was so playful! He always was happy to see us and eager to play. Obi just played and played, he also loved his bath, he kept trying to bite the water it was hard to bath him.

## Chili (N.A.B.S.) and San Antonio

Hi Pam,

I am sorry to be getting in touch with now that summer has passed. I wanted to let you know that Chili is doing well. We had some territorial issues at first, then some health issues for both dogs, but we have finally settled down. The girls get along much better now. Chili's personality has begun to show! She doesn't bark unless Daisy gets her going and that is usually in the evenings when we all get home. She has finally showed a playful side, she will play with bits of food and I have seen her chase bugs! Occasionally she and Daisy will play, but she gets upset when Daisy won't stop barking and growls at her. She has such a sweet nature, we have all fallen in love with her. Oh, We walk the dogs twice a day, my husband in the morning and I take them in the evening, they walk with a double lead and drag each other to the best "smell" spots! I have gotten some really nice comments while we are walking.

I will attempt to send you some pictures, I don't know how successful I will be, my husband may have to send them!

Thanks!!  
Laurie

## Farley's Update

I took Farley home last Sunday and I cant tell you what a joy he is to everyone. My husband who if you remember was a bit hesitant initiately now has Farley as a constant companion. Farley loves to ride in the car and is always ready to go. Thank you for bringing Farley into my life and my home. Since Farley is so social I will bring him to visit when I go to Petco.

## Tucker's News

Hi! Just wanted to drop in and tell you all hello! Tucker is doing GREAT!! He has grown a couple of inches and weighs about 25 pounds now. We gave him a haircut and he is all shaven and cleaned up with his cute mustache of course still there! He looks so handsome and has grown so much since we first brought him home. We have continued feeding him IAMS and his coat just glistens and he has become very muscular. He loves to go outside and go for walks and just lay in our laps or in his own little spot on the couch. He has learned to live the blinds up and look out the window if one of us goes out to the car for a minute. He has learned to sit, stay and fetch recently. He is so loving and so smart and is the joy of our home. =) We love having him around. He has also developed his own little sense of humor. He likes to go into the bedroom and bring in his Daddy's underwear just to see us laugh. He has learned words like "lets go outside, treat, & go to bed." Anyways, I just wanted to give you an update on the little guy who is growing like a weed! =) He has a birthday coming up and we're planning a little party for him with his new friends Hunter & Laynie. They are loved pets of my aunt and uncle and friends. =) Hope the work there is going well. God bless yall and the little dogs and thank yall for what you do for the little guys.

Sincerely,  
Allison, Greg, & Tucker

### ABOUT US

N.A.B.S. rescues dogs for Forever Homes. We rescue animals from shelters who are perfect candidates to good homes, who would otherwise suffer from unjust euthanizing. WE ARE A NO KILL SHELTER. Each dog rescued is taken care of medically by veterinarians with physical exams, current shots and additional treatment (rabies, heartworms, etc.), and spaying or neutering. Each dog is fostered and cared for by our gracious volunteers to become lovable furry companions for families. "Dog is man's best friend." and we add to that: "a Forever Friend." Our Furry Children are unconditional in their love and will dedicate their love and loyalty to those families who foster and/or adopt them.
