N.A.B.S. PEN SPONSORSHIP PROGRAM IS HELPING SAVE MORE RESCUES

N.A.B.S. has once again created a viable alternative to the kill shelters. N.A.B.S. has the space at The Sanctuary and is willing to share their space with the rescue group, kill shelter or Vet Clinic to assist their dog/s in need. N.A.B.S. realizes in rescue that a dog in a kill shelter needs to be rescued but the rescue group does not always have a foster home available. Also, Friends of a kill shelter may have an adoptable dog they would like to give more time to but they can not remain at their location. Or, a Vet Clinic inevitably inherits a dog but needs more space until a forever home can be found.

**"HUGGER" is enjoying life at
The Sanctuary because of this new
PEN SPONSORSHIP PROGRAM**

To be continued on P.3

Often times a rescuer is either forced to choose between passing on a rescue because of no space, or boarding at a traditional boarding facility, neither of which is easy to do. The frustration of not being able to save a dog coupled with not having the funds to maintain it at a boarding kennel facility is difficult to accept and/or juggle.

N.A.B.S. would like to offer our PEN SPONSORSHIP PROGRAM as a more affordable alternative to help solve this dilemma. If you think this program can assist you or someone you know then please contact Pam @ nabstx2004@aol.com.
